Didion Milling Proposes New Ethanol Plant adjacent to existing facility

What are the benefits?

- A huge shot in the arm for our local economy!
- Substantial increased tax revenue from one of Cambria's largest businesses
- Lower property taxes for home owners
- Creation of 40 new high paying jobs for our community
- Providing increased value and new markets to our farmers
- Fight back increasing gas prices and reduce our dependence on foreign oil
- Less rail traffic crossing Highway 146 with the addition of a new rail yard

How have we addressed the concerns?

- The cost to the Village of Cambria is ZERO
- Didion will repair and/or replace the Village water wells if affected
- Didion guarantees no increase in noise levels
- Didion will pay for any necessary additional fire equipment
- Didion will pay to improve and/or move Cabbage Road

We welcome your questions, concerns, and opinions! If you have any questions, please call me at 920-348-5868, ext. 815. We appreciate your support for this project. Together we can make a difference in our community!

Sincerely,
