

# SAFETY FIRST at **Didion** Milling Ethanol

Didion Ethanol is proud to be associated with the following Wisconsin companies who are safely constructing our ethanol facility.

These companies bring experience and a record of safety which will allow us to build a plant that we can all be proud of:

Navis, Sam's Well Drilling, Agra Industries, JF Ahern, Van Ert Electric, Rouman & Associates, Ideal Crane Rental, Alliant Energy, Carew Concrete, Michaels Materials, and Dawes.
