Re: s. 74.41 Chargeback

Dear Official:

The taxation district refunded property taxes for 2001 payable 2002. The refund was due to a palpable error and the error would have affected your equalized value. Therefore, the taxation district is allowed under s. 74.41, Stats. to charge back a portion of the refunded taxes to each taxing jurisdiction. This letter is to certify to you the amount of the chargebacks.

The findings of fact and conclusions are contained in the explanation section of the facsimile Inquiry Related to Rescinded or Refunded Taxes (PC-201) which is enclosed.

The Department has certified the amounts below to each of the taxing jurisdictions listed. If you had multiple qualifying refunds, the amount shown is the total. You should be paid by the taxing jurisdictions by February 15, 2004. You can call Colleen Wasilewski (608-266-8618) or me (608 266-0204) if you have any questions.

Explanation (please type or print clearly): 2001 Assessment was set by DOR, Didion Milling appealed their assessment. Due to new information that Didion failed to produce until the appeal caused the assessment to be reduced. The final decision to reduce was made in May 2002, however, due to misinformation I was not informed of the appropriate procedure until November 6, 2002 when I spoke to Ken Schuck.
